Good morning Kim,

I will communicate with our Public Sector Customer Service to assist in collecting any overage/unusual accumulation records associated with this account. I also work to retrieve my archived communication.

Chris,

Can you provide me with letters, emails, trash records and any videos that WM has regarding the trash issue we have been working on at 1009 Pat Booker Rd?

If I need to fill out an open records request, please let me know to whom I should address it.
