Good afternoon Veronica,

I will ask our call center manager to pull any record kept of the phone call with Ms. Perry at [REDACTED]. I will also reach out to Ms. Perry personally to discuss and research further with operations along with the Public Sector Customer Service team.

As for the credit request, if the City wishes to provide a credit to Ms. Perry's next bill – I can work with my team to adjust the monthly house count invoice to reflect the credited amount not be charged to the City.

I received a call from Ms. Perry requesting for a credit on her water bill, due to her garbage not being picked up Dec. till this day. Ms. Perry called Waste Management and spoke to Sarah, they told her there was no communication to Waste Management for missed garbage pick up and there is an email below, from 02/10/21 with a ticket number. Sarah also told the Ms. Perry, for every missed garbage pick up, she needs to call Waste Management every day. Ms. Perry even asked for instructions on how to put her trash out. Ms. **Perry's address is 110 Meadowland and her phone number is**

██████████ Can you please help with this customer's reason to why we are not picking up her garbage??

110 MEADOWLAND – has not been picked up in four weeks. I am wondering if it dropped of the list

636 MEADOWLAND – has not been picked up in several weeks. I am wondering if it also dropped of the list.

Tomorrow is garbage pick up for this area and just an FYI, customers are stating they do have a lot of garbage.

*Happy Valentine's Day*
