Subject: City Letter Opposing HB 753 Solid Waste Franchise Fee Cap

Tobin,

I was recently notified of HB 753 which seeks to limit a City's franchise fee for solid waste services to just 2 percent and to exclude commercial solid waste services from franchise agreements. To that end, I have drafted a letter to the State elected officials representing Universal City asking them to oppose HB 753. A copy of what was sent is attached in PDF and Word should you think it relevant for other members of TCMA Region 8 to contact their representatives as well.
