Here is a copy of the letter we are sending that also brings up the issue of the wear and tear on the streets. We are sending this to Rep. Kuempel who sets on the Environmental Affairs Committee and who is a resident of Seguin.

Subject: City Letter Opposing HB 753 Solid Waste Franchise Fee Cap

Tobin,

I was recently notified of HB 753 which seeks to limit a City's franchise fee for solid waste services to just 2 percent and to exclude commercial solid waste services from franchise agreements. To that end, I have drafted a letter to the State elected officials representing Universal City asking them to oppose HB 753. A

copy of what was sent is attached in PDF and Word should you think it relevant for other members of TCMA Region 8 to contact their representatives as well.
