Good morning,
Mr. Weaver, came in to notify us, it has been two months his Bulk Brush has not been picked up. Mr. Weaver also mentioned all of Coronado Village, the bulk brush has not been picked up. Can we find out why the bulk brush has not been picked up. Mr. Weaver has been at this address since 2002, so I am wondering maybe he is not on the list? Can you please notify Mr. Weaver at [REDACTED]. Thank you.
