Good afternoon Kim,

Thank you so much for sharing this. John & I will be reaching out to our Public Affairs Director shortly about the possibility of participating in this opportunity. I would love for WM to be involved.

*WM Corporate had placed a hold on monetary contributions during the pandemic, however I am hoping we can make something work as we are inching out of it little by little.

Good afternoon Chris. Several of the cities in the area are coordinating with the Randolph Metrocom Chamber to host a function to thank essential workers for the extra efforts they made during COVID. Since WM is a vendor for many of the NE cities, I thought you might want to support the effort with a \$501 sponsorship.

Look it over and let me know what you think.
