

2021 UNIVERSAL CITY

RESIDENTIAL SOLID WASTE BROCHURE

The City of Universal City has partnered with Waste Management to provide weekly trash and recycle service collection along with a biannual bulk collection site and curbside brush collection.

COLLECTION SCHEDULE

- Trash collection is twice a week.
- Recycle collection is once a week.
- Bulk and brush collection occurs twice a year.

CARTS

Residents must use their Waste Management provided 96-gallon green cart for items considered trash and the 96-gallon cart with the yellow lid for recyclable items.

CURBSIDE TIMING

To ensure collection, carts must be at the curb no later than 7:00 AM on the scheduled collection day. *Note: Collections may not occur at the same time of day each week.

CART PLACEMENT INSTRUCTIONS

- » Trash goes in the green cart with the green lid. All trash must be inside the cart. Waste Management will not collect trash outside the cart.
- » Recycling goes in the green cart with the yellow lid. All recyclables must be inside the cart. Waste Management will not collect recyclables outside the cart.
- » Do not overfill carts. Lids must close securely.
- » Place cart at the curb with handles facing the home.
- » Place carts 4 feet (4') from obstructions, such as mailboxes, and within 1 foot (1') from the curb or fence. Place carts 4 feet (4') apart with the handles facing your home or fence.
- » Do not obstruct the collection of carts by parking vehicles in the vicinity.
- » Do not include items such as paint, motor oil, or other household chemicals.

MISSED COLLECTION

FREQUENTLY ASKED QUESTIONS

Question: What are my service days?

Answer:

Question: Where do I place trash for pickup?

Answer: Trash must be at the curb or street. The handle on the cart must face your residence, and the lid should open towards the street. The cart(s) must be placed at least 4 feet (4') away from each other and obstacles such as utility poles, mailboxes, trees, fire hydrants, and parked cars. Your service may be affected if a parked car is blocking the path to the cart(s).

Question: Why do I need to provide space between my trash carts?

Answer: Trash is now collected using an automated side load truck. The collection arm on the automated vehicles requires 3 feet (3') of space to make the collections safely.

Question: Is it possible to get an additional trash cart?

Answer: Additional carts are available for a monthly fee. Please contact the City of Universal City.

Question: Who do I contact for service questions?

Answer: Please contact Waste Management at 1-800-800-5804, Monday – Friday 8:00 am to 5:00 pm CST, or via email, cssatex@wm.com.
