Good afternoon,

It has been brought to my attention that our residential collection route within the City will most likely rollover into tomorrow morning.

This involves roughly 4 alleyways near Aviation Blvd. If any residents make contact please ask them to leave their carts/bins at the point of collection as WM Residential crew will be returning to complete the route first thing in the morning.

Good morning,
Please see the areas completed for brush pickup yesterday 4.28.21 in Universal City.

The only exception noted was 305 E. Byrd. There are brush piles in the yard.
The resident will need to move them to the curb so we can pick up for them.

Thank you!
