Good morning,

The attached map shows the area of UC that was completed in its entirety on 5.31.21.

I had 3 areas reported to me by the drivers:

- corner of Travis Dr & W. Aviation Blvd – pile was too far up on property and not able to be accessed.
- Barbara Bend – pile blocked by orange Camaro
- Rifle Gap – pile exceeded allowable amount, took one grabber load.

Thank you and have a fantastic day!

Thank you,
Bella DiVittori
