Good morning Kim,
Unfortunately we have a growing list of streets that have been inaccessible this week due to the rain.

Do we know if these alley trash pick-ups have occurred or will occur this week?

Good morning everyone,

The driver on the recycle route has let me know he is unable to service the following streets due to the alleyways being too muddy. He attempted to go down the first one but the front tires started to sink.

- Clear Oak
- High Oak
- Oak Side
- Meadowland

He will keep me posted if there are more alleys along his route today that he finds inaccessible.

Thank you,
