Good afternoon all,

Public Sector: May we please issue a missed service recovery ticket for this address?

Ops/Bella: May we please get this route and updated Veronica on the anticipated recovery time so she may relay to the resident?

Veronica: I do not see a number listed here for the resident. If Isabella provides you with and update May you please pass along the information to resident?

Hello,

I received a call from Mrs. [REDACTED] because their trash was not picked up on 6/24/21. Mr. [REDACTED] called Waste Management and told him they may or may not pick up his trash on Friday 6/25/21 morning. It is Friday afternoon and they are requesting to have their garbage picked up. Mr. [REDACTED] did say he called three times and did not receive a ticket number or a name of who he spoke to. This address does not have alley pick up. Customer is requesting for a call back with a response. Thank you.

Happy 4th of July
