Subject: FW: Recycle Bin Question

Importance: High

Hello,

Please see below. Customer went to our website for information, the right thing to do and Waste Management gave them the wrong information.

Happy 4th of July

Subject: Recycle Bin Question

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning,

My fiancée () who is the account holder and I are trying to get a recycling bin so we can start recycling. We went on the UC website and it said to call Waste Management, but when we called them, they stated since the services are through the City, we have to request it from the City. Would you please be able to help us out? Our address is E Langley.

Thank you,
