Good afternoon,

Our drivers noted this address today and sent in the (attached) photo showing a very large pile of brush and many large contractor bags.

We had last serviced brush on 6/28/21 per PVA below and this pile was not out at that time.

I wanted to make everyone aware of this pile as we will not be servicing UC Green again until the 4th week of July.

**Thank you,
Bella DiVittori
Waste Management**
