Sorry,

Animal Shelter and Public Works were both missing from the list. Here is the updated sites.

Yes mam, I added the animal shelter and made some increases to container sizes. The list included on page 24 of the proposal has the full list (shared in separate email).

Subject: City Dumpster and Polycart locations

Chris,

Please see the count of Dumpster and Polycarts we need for each City facility. There is only a increase need of 6 poly carts to our existing account. Please compare to your records.
