Thanks Chris.

Also, we didn't get to it last night, but will there be an opportunity for residents to downsize their polycarts in the future? We spoke early in the contract discussions about there being three sizes of trash cans.

I agree – we can make these adjustments with our routing analyst on the maps.

**Subject:** [EXTERNAL] Rear Entry garages on Sunrise Canyon

I drove down Sunrise Canyon today and realized that the houses in the 100 block of Sunrise Canyon have rear entry garages with a paved alley. We need to have these houses added to the alley pick up map. Also, along with the map, I think we need to put in that addresses as well, such as the 200 -800 block of Meadow Abor, the 400 -500 block of Bolerio, etc. What do you think?
