Good morning all,

Please see the updated alley map attachment, which includes the alleys listed below.

Regarding the option of quarterly curbside brush collection, the proposed base residential rate of \$21.06 would increase to **\$22.11**. This upward adjustment accounts for the additional labor, fuel and disposal costs associated with the increased service.

Michael and I went out to check out the alley map. The alleys that are missing are as follows:

1. 100 block of Sunrise Canyon on BOTH the North and South sides of the street
2. 200 block of Sunrise Canyon on the NORTH side of the street only.

Please update the map get it back to us. Thanks.
