Good morning Michael,

It sure was, now the hard work begins! I'll touch base with our Operations team on this and make a site visit today if necessary.

Loop back around with you as soon as I have some more information.

Good Morning Chris,

Good outcome last night! On another note, I wanted to reach out regarding Peppermill Apartments at 2125 Universal City Boulevard. They have placed two dumpsters outside the trash enclosure (right across from City Hall on UC Blvd.) and their property manager said it is because Waste Management can't access the dumpsters if they're inside the trash enclosure. Can you please look into this and confirm? It sounds odd.

Thanks,
