CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning Kim,

Thank you for taking my call just now. Please see my updates to the last contractual version of the agreement, reviewed by both Matthew Longoria & Ruth Muelker. This updated version includes:

- Insertion of August 3, 2021 as date approved by Council (found on page 1).
- Addition of Definition 1.15.Excess Garbage, Waste or Rubbish (found on Page 3)
- Insertion of additional language to Definition 1.23 Pink Tag (found on Page 3-4)
- Insertion of commencement and conclusion dates in Section 3: Term (found on Page 6)
- Insertion of language to Section 5.02 Brush Collection to reflect quarterly or four times per year service (found on Page 6)
- Insertion of Contractor mailing address (found on Page 20)
- Insertion of City & Contractor Signature Information (found on Page 24)
- Update to Schedule A to reflect new Base rate of \$22.11 and quarterly brush collection (found on Page 25)

If you select "Review" and then "No Markup" - all my updates will still be shown in RED. I hope that once we review these updates we can work to plug this contractual version of the agreement into your codified ordinance.
