Chris,

Good seeing you again this afternoon. As briefly mentioned, please see the correspondence below regarding the Dutch Bros Coffee site under construction. We instructed him to submit his latest request via the BuildersDirect email avenue, which he did this afternoon. Is there any chance to get a dumpster out there sooner than September 28th? If not, just le me know.

Thanks,

We need to get dumpster that they left the other day swapped tomorrow. We have trash sitting outside of existing dumpster because they did not pick it up.
Please let me know if you can help.
