Hi Regina,

I'll certainly be out there with some sort of food giveaway. Unfortunately, our bbq trailer is in use in another area over the weekend.

We are trying to bring an available ASL vehicle out - just need to work our collection schedules around. What time do you think it would be best to have a truck out (time frame) if we can get one free?

Also would tacos or some other items be okay if we can't find hotdogs?

Hi Chris,

Just wanted to follow up with you to see if WM was still coming out on Saturday for the NNO event. If so, will you be giving out hotdogs as you mentioned?

Also, when would it be possible to get the bagster from you.

Thank you so much.
